

## Thank You for a Successful Holiday Season!

We had a phenomenal holiday season thanks to the outpouring of generosity we received. While the need for Shelter Network's services was greater than ever, broad community support ensured that all of the families and single adults we served had a memorable holiday season. This includes families and individuals at our shelters, in our motel voucher program, and program graduates who have moved into long-term housing but are still receiving follow-up services. They all enjoyed holiday meals in November and December, gift baskets, and had their wish lists fulfilled through "Adopt-a-Family," "Adopt-a-Single Adult" and our other gift drive programs.

Below, we would like to thank our holiday donors who came to us from across the board – from individuals who give year after year, to corporate and civic groups who know the value and meaning of community. Their support made this past season one of the best.
