

Thank You for Making the Holidays Special!

This holiday season, the outpouring of generosity was so great that all of the families and individuals in our programs received something they would otherwise not have enjoyed – a true sense of the holiday spirit!

We saw a sharp increase in the need for the shelter and services provided by Shelter Network this past year and it was gratifying and inspiring to have so many members of the community join with us to help meet that need. For the first time, Shelter Network began using online social media platforms including Facebook and Twitter to spread the word about the need for donations. There was response from as far away as Ireland and Singapore! Thanks to your generous support from near and far, all of our clients enjoyed delicious turkey dinners on both the Thanksgiving and Christmas holidays. In addition, every person in Shelter Network's services received gifts through the Adopt-a-Family, Adopt-a-Single Adult, and Gift Drive programs. A heart-felt 'thank you' to all those who made holiday dreams come true:
